Jonathan Daniel Clements,
Appellant,

v.

State of Arkansas, et al,
Appellees.

Case No. 25-3497

NOTICE OF SUA SPONTE APPELLATE ACCEPTANCE

COMES NOW the Appellant, Jonathan Daniel Clements, in propria persona and as Sovereign Executor of ECC-TRUST-JDC-005, and hereby enters into the record formal notice that the above-captioned matter has been accepted by this Honorable Court **sua sponte**, without requirement of initial payment or delay pending formal approval of in forma pauperis (IFP) status.

This action by the Court constitutes acknowledgment of **jurisdictional priority, judicial interest, and material legal irregularity** in the proceedings below, sufficient to warrant direct appellate review regardless of procedural formalities.

The Court's independent act of acceptance under its own motion affirms that:

> **Standing has been recognized**;
>
> **Review of lower court conduct is appropriate and ongoing**;
>
> The record now constitutes an active appellate matter under federal supervision;
>
> All filings, notices, and emergency motions submitted by the Appellant are to be treated as **entered, actionable, and under judicial review**.

Let this serve as a formal declaration to all parties and lower tribunals that jurisdiction now resides with the United States Court of Appeals for the Eighth Circuit, and that **no further action may be lawfully undertaken by any subordinate entity** which conflicts with the pending review of this appellate body.

Respectfully submitted,
this 10th day of January, 2026

/s/ Jonathan Daniel Clements
Appellant, in propria persona
Sovereign Executor, ECC-TRUST-JDC-005
